To Our Loyal Camping Families: First and foremost, we hope you and your families are well, healthy and safe. For the safety of our staff and our camping families during this COVID-19 pandemic, please review the following:

1. We have reviewed the CDC guidelines and will be sanitizing for safety prior to everyone's arrival.
2. Our office will remain closed to visitors; Gary and/or I will be on the deck to welcome you but limited people can be on the deck at a time.
3. Our office is open and we are taking reservation for stays after June 15, 2020. If you need us, we can reach by calling: 802-748-4334.
4. If you are from the following states, you no longer need to be quarantined to come to Vermont: CT, MA, MD, ME, NH, NJ, NY, OH, PA, RI, VA, Washington D.C., WV. Also, we are at 100% occupancy rate!
5. Based on CDC, local, state and federal guidelines, there will be modifications to our operations. We will update as conditions change; this situation is fluid.
6. Please be patient as we navigate these uncharted waters together.
7. Right now, the bathhouse, office and pavilion will remain closed until further notice.
8. Only self-contained RVs, Travel Trailers, and Motor homes may be permitted to camp the time we open. If you do not have a working refrigerator, working sink, toilet and bathing area in your camper, you may not camp at this time. Please DO NOT reserve a campsite if you are not self-contained. Please, do not force us to turn you away. The fees you paid will not be refunded.
9. If you are sick, your family with whom you live with are sick, or are caring for a person who is sick, please do not come to our campground.
10. If you appear sick, we reserve the right to ask you to return home. Your immediate compliance is required.

11. Upon arrival, you are to remain in your RV, we will come to you to take your temperature, hand you all your information to stay in the campground and ask you to wear your mask when you are within 10' of other folks. You do not have to wear your mask on your site unless someone comes to talk to you, or walking around the campground unless you come close to anyone.

12. Social Distancing is in effect. No more than 4 people per campsite reservation. Please do not plan large social events for your camping stay. No visitors at this time. Only those people listed on your reservation may join you at camp.

13. Deposits cannot be refunded and will be applied to a future stay at any time. There will not be a time limit for you to use your deposit.

We're excited to have you join us for country fresh air and peaceful camping! The one thing we can take from this "new normal" is the ability to enjoy our families and the great outdoors at Moose River Campground! Please feel free to reach out to us with your questions at 802-748-4334 or email us at info@mooserivercampground.com.
